

Park Place Technologies

Developer Internship/Co-Op

Over the past two decades, Park Place Technologies has quickly expanded to become the premier data center hardware maintenance provider nationwide. Park Place Technologies is a 4-time VAR 500 award recipient, 4-time Crain's Leading Edge award winner, a Plain Dealer Best Place to Work, and is a 6-time Northcoast 99 winner - making it one of the fastest growing technology firms around, and one of the best places to work in NE Ohio. We maintained a negligible turnover rate and our "best place to work" status in 2015 not only with our years of record growth, but by cultivating a truly exceptional culture of career training, internal advancement, collaboration, and team & individual success.
