Dear Civil Engineering and Associated Departments,

The Association for Bridge Construction and Design, Northeastern Ohio Chapter (ABCD NEOH), Southwest Ohio Chapter (ABCD SWOH), and Central Ohio Chapter (ABCD COH) is the only civil engineering society in Ohio dedicated solely to the construction and design of bridges. Our members include practicing bridge contractors and engineers, as well as civil engineering students. To further the educational mission of the association, ABCD NEOH, ABCD SWOH, and ABCD COH are offering scholarships to incoming junior or senior level civil engineering students. Interested candidates should forward a personal statement describing their interest in bridge design and construction, as well as a transcript to ABCD NEOH. Scholarship applications will be accepted until November 30, 2018, and should be mailed to:
