

JOB ANNOUNCEMENT

ENGINEERING Co-Op

The Greater Cleveland Regional Transit Authority is seeking an Engineering Co-Op to assist the Engineering & Project Development Department. This is a temporary intern position.

DUTIES: Under the supervision of the Director of Engineering & Project Development, the Engineering Co-op will assist in rail-related project design, administration and construction management of GCRTA Capital Program projects. Co-op will be asked to participate in project meetings and communicate with other members of the larger project team and internal staff from other GCRTA divisions, principally Operations and Safety. Ongoing projects include rail grade crossing replacement, tie replacement and track rehabilitation, construction of Cedar-University Circle Station, Mayfield Station, Fairhill Substation, Lee-Van Aken Station and numerous smaller projects at various stages of design and construction. Most projects involve multiple Engineering disciplines such as Mechanical and Electrical but are often principally Civil and heavy construction. This position will promote a safe and secure atmosphere, follow all safety and security rules and perform other related duties as assigned.

REQUIREMENTS:

- Applicant must have completed one or more years of an Engineering or Construction Program.
- Applicant must be willing to travel downtown and throughout Cuyahoga County to heavy construction sites that may have active bus or rail traffic.
- Applicant should be interested in interacting with a diverse group of agency, contractor and other interested stakeholders.
- Experience in the use of AutoCAD and Microsoft Office products such as Excel, Word, Project and PowerPoint is a plus.

WAGE RATE: \$17.00 per hour

FILING OF RESUMES: Resumes must be received in the Human Resources Department of the Greater Cleveland Regional Transit Authority by applying online at www.RideRTA.com/Careers:
Resumes will be accepted until position is filled.
