

# Washkewicz College of Engineering Senior Design Kickoff Luncheon

**Friday, September 11, 2015**

**Featured Speaker:**  
**M. Craig Maxwell**

Vice President  
Chief Technology and Innovation Officer  
Parker Hannifin Corporation

## **Innovation and Entrepreneurship at a Large Company**

Mr. Maxwell will kickoff the 2015-16 Senior Design season by sharing the many unique ways innovation and entrepreneurship is incorporated into the culture of Parker Hannifin. People often associate innovation with small start start-up companies, but Maxwell will demonstrate the critical importance innovation plays at companies of all sizes.

Also, Dean Karlsson, faculty and staff will share their insights and offer a preview of this year's exciting program.

**Where: CSU Student Center Ballroom (3rd Floor)**

**Time: 11:30 am – 1:00 pm, Lunch will be provided**

**Open to all College Juniors, Seniors, Faculty and Staff!**
