

Sample Readmission Statement

Date

Greeting Line

1st paragraph is your purpose/intent statement. For example:
I am requesting to be readmitted to Engineering for fall 2016.
Since my suspension I went to Cuyahoga Community College.
I worked on my math and English skills and my cumulative
G.P.A. was 3.0.

The two terms I stayed out have given me a chance to reflect
on what I want my future to hold. I plan on moving from
Electrical to Mechanical engineering, where I feel that my
strengths lie. The Academic Success Contract made me
reflect on things I need to change. I plan to set aside study
time and reduce my work hours.

After meeting with my academic advisor I plan to repeat
those courses that I failed.
