

**Washkewicz College of Engineering
Research Day 2017**

Please join us at the Engineering Research Day 2017 on Friday, October 27 in the Student Center Ballroom and celebrate with us the cutting-edge research performed by our College.

Walk through the morning research poster session and enjoy lunch during the keynote speech by Dr. D. Geoffrey Vince, PhD, the Chair of Biomedical Engineering at the Cleveland Clinic.

Space for the luncheon and keynote is limited, so please register no later than Friday, October 20th. [Click here to register](#).
