What are three words you would use to describe yourself?

Centered, friendly, and just

What is your favorite food?

My favorite food this year is probably strawberries, or sushi!

What is something you wish you could learn more about?

If I could study anything, it would probably have to be consciousness and how it works.

What are some of your hobbies?

I enjoy being active, learning, betting on stock, and rock climbing.

If you were an animal, which animal would you be?

I'd definitely go with a wolf or a hawk.

What do you enjoy most about being part of the Mandel Continuing Scholars Program?

I think what I enjoy most about the Mandel Continuing Scholars Program is that you're with a lot of amazing stand up people, and also how the faculty take gracious steps in making sure we're prepared for the future.
