Which of your classes are you enjoying most this semester?
My favorite classes for this semester have been my Biology 200 course and my recreating history course (HIS 11H). The professors are wonderful and I am really learning a lot in my coursework!

What do you most value about being part of the Honors College?
Being a part of the Honors College at CSU is a wonderful experience. If I had to choose what I value most, it would be the opportunity to be a part of a social community whose primary goal is to excel and succeed in all academics. It is fantastic to be surrounded by like minded people with strong drives to complete their education.
