If you are unable to complete the recommended courses when they are offered, you will delay the completion of your degree, as the courses are only offered during specific semesters. Details regarding this are included on the course completion check list on the reverse of this page. Any deviations must be discussed with and approved by your faculty advisor. Also note that course offerings are dependent upon meeting minimum enrollment requirements.

Name: _____ Faculty Advisor: _____

CSU ID: _____ Semester Started: _____

Nursing Education Track Course Completion Check List
