

The **S**ociety of **P**hysics **S**tudents presents a

# Physics Alumni Speaker Seminar

**Joseph Glaser**

**PhD candidate, Drexel  
University,**

**BS Honors Physics and  
Math CSU alumnus**

**Where: SR 151**

**When: April 7**

**11:30-12:15**

## **Straight-Forward Facts about Graduate School**

Joseph will talk about his experiences with the STEM graduate school process at Drexel University. This candid discussion will cover everything from preparations to take before leaving your alma mater to surviving the shift from class-based to research-based program emphasis. Come enjoy some refreshments and learn a bit about why graduate school is a entirely different experience from the undergraduate world and whether it is a good fit for you.
