

Get ready for the first

SPS Meeting

of the Spring semester

Never been to an SPS meeting? Ever wondered what SPS is?

Now's your chance! New members are welcome!

The Society of Physics Students (SPS) is open to anyone interested in physics, fun, and free food!

We will be having an introductory meeting

Thursday, January 25th

11:30-12:15

SR 151

Come to find out about

summer internships and job

opportunities related to Physics
