

SOCIETY OF PHYSICS STUDENTS (SPS) EVENT

PHYSICS OLYMPICS!

Abstract

Come to SI-117 on Tuesday to prove you are a physics champion!
Compete against your fellow students to hold the title of best physics team!

Join the Physics Department and Society of Physics Students for our new event, the Physics Olympics! Students will split up into teams and participate in two of four basic physics Olympian events. Prizes will be available to the winners on Thursday during the end of the year ice cream party. Pizza and pop will be provided as usual.
