

SOCIETY OF PHYSICS STUDENTS (SPS) EVENT

**Getting Ready for the American
Physical Society (APS) March Meeting
in Baltimore!**

**SPS Officers: Kaitlin Vandemark, Phil Dee, and
Joseph D'Alessandro**

Kaitlin, Phil, and Joe will share the highlights of their research presentations prepared for the largest annual physics conference in the USA, the American Physical Society (APS) March Meeting., which will soon take place in Baltimore, MD. At the conference, all three are presenting posters detailing their research projects at CSU. The presentation for SPS is an important part of their preparation for the conference. Please stop by to support them.
