

SOCIETY OF PHYSICS STUDENTS (SPS) EVENT

Physics Department Spring Semester Welcome Party

Abstract:

The Society of Physics Students (SPS) cordially invites **ALL INTERESTED STUDENTS** to our department's Spring Semester Welcome Party. Come to say "hello" to the physics faculty, staff and students and learn about why we think physics is fun!

Please join us at this meeting to learn about opportunities in the physics department and with SPS, including how YOU can get involved in our new outreach program with a local elementary school.

Pizza, pop, and prizes will be provided so stop by for fun, food, and friends in Physics!
