

SOCIETY OF PHYSICS STUDENTS (SPS) EVENT

LN₂ Ice Cream Party and Day of Dangerously Daring Demos

Abstract:

Have you ever wanted to **walk on water**? Prove to the world that you're brave enough to be sandwiched between two **beds of nails??** Watch Jearl Walker dip his own hand into **molten lead???** Eat ice cream made from **Liquid Nitrogen???** Well, *of course* you have! Now your chance is finally here!

Join the physics department and Society of Physics Students for our biggest event of the semester—the much anticipated Liquid Nitrogen Ice Cream Party. Say goodbye to the semester by participating in some of the most heart-pounding demonstrations in the world of physics. Join us for raffles and prizes, lots of pizza and pop, and of course ICE CREAM and fun as the semester comes to an end!
