**2017-2018**  
**Uniting to Share Campaign**

***“Participate by giving”***

The purpose of Uniting to Share Campaign is to have members of the CSU community come together in their sharing to make a bigger impact within Northeast Ohio by giving to local charities.

Unlike other fundraising campaigns on campus, donations given through Uniting to Share go to our communities. You can choose to give to one of three federations in our campaign (or split your donation between all three): United Way, Community Shares, or EarthShare Ohio. Once you choose a federation, you can further designate your donation to an agency of your choice. For example, you could designate your gift to The Karamu House, Hospice, Boy Scouts, Lake Erie Conservation... and the lists go on (complete agency lists can be found on federation homepages).

Your gift is tax-deductible and it WILL make a difference, no matter what amount you choose to give because you are giving as a member of the CSU community. **Thus we encourage you to give to your favorite charity through our campaign instead of giving on an individual basis.**

Help represent CSU in giving back to Northeast Ohio by filling out this pledge form and donating to the CSU Uniting to Share Campaign.

No matter how little you have, someone else always has less.

Thank you for your support!

After filling out your form, please return it to your area Campaign Ambassador or
