The College Credit Plus program at Cleveland State University is designed to provide qualified students with the opportunity to gain credit while supplementing their high school college preparatory curriculum.

Upon successful completion of the course, students will be awarded college credit through Cleveland State University and will receive a CSU transcript.

College Credit Plus Options

The College Credit Plus Program is intended to complement rather than replace the high school preparatory curriculum. Students who qualify for the program may enroll in college courses under the following options:

Option A: The student takes courses for college credit only and is responsible for payment of all tuition, books and fees.

Option B: The student takes courses for high school and college credit. Tuition, books and fees are paid through Ohio Department of Education funds.

Enrollment Options

Students admitted to the CCP Program are eligible to enroll for the fall, spring and summer terms. Students who elect to enroll during the summer term need to be aware that during the summer term, courses are generally taught at an accelerated pace during six (6), eight (8), ten (10) and twelve (12) week sessions.

Admission Criteria

Students seeking admission into the College Credit Plus Program must first demonstrate college readiness by meeting the College Credit Plus eligibility standards deemed by the State of Ohio. These standards include:

- **ACT:** Minimum of 18 English OR 22 Math OR 22 Reading
- **OR**
- **SAT:** 530 Math OR 480 Evidence Based Reading and Writing (EBRW)

Once a student is deemed CCP eligible, they must then meet Cleveland State's admission requirements:

- 2.3 GPA
- ACT: 16 Composite OR
- SAT: Total score of 880 or higher (redesigned SAT administered after March 2016) OR SAT combined EBRW and Math 770 (tests administered prior to March 2016)

Students who do not meet these standards directly will be evaluated on a case-by-case basis using State of Ohio guidelines for conditional admission.

CSU also offers an institutional ACT (iACT), which can ONLY be used for CSU admission: <http://www.csuohio.edu/testingcenter/american-college-test-i-act>

Please be sure to submit all application materials when you apply to the CCP Program. Applications will not be processed until all materials are received, including:

- Completed application form
- High school transcripts
- ACT/SAT scores
- Advanced Placement test results (if applicable)

Admissions requirements are subject to change based on university policy or state legislation.

Orientation

Once admitted, ALL students are required to attend a College Credit Plus orientation session to introduce them to Cleveland State and to provide vital information about the program and the university. Information regarding the CCP Orientation programs will be available on the CSU/CCP website.

Course Selection

The course selection process for students is a collaborative effort between the student, the high school counselor and the Cleveland State University advisor. Cleveland State is on a semester system that consists of fall and spring semesters, each lasting 15 weeks. You must register for new classes prior to the start of each term that you attend.

Maximum Course Loads

Students are eligible to earn a maximum of 30 credits per year. The number of credits a student is eligible for each semester is determined by the number of credits they are completing at their high school. Your high school counselor should be consulted about any additional restrictions.

Academic Standards

Students must maintain an overall 2.0 GPA or better to remain in the program. Students earning less than a 2.0 GPA will be subject to CCP probation guidelines.
