

CLE STATE REC CENTER
SUMMER CAMP

LEADERS IN TRAINING PROGRAM

We are excited to offer our Leaders in Training program for 13-14 year old kids again this year. This program allows participants the opportunity to set up their own activities under the guidance of our counselors. Activities will be primarily separate from normal camp and will be more age appropriate. There will also be a skills training each week.

Each participant must maintain a certain standard to continue in the program. Individuals with poor behavior will be moved to a younger age group or removed from the program with no refund.

This program gives your child time to focus on swim lesson instruction. Depending on your child's abilities, they may be placed in levels 1-4. The more advanced, there is the option to move up into levels 5-6, which is more of a swim team atmosphere.

7:30-9:00 AM | \$30/week
Now taking place BEFORE camp starts!

SPLASH AND SWIM

Stay and play is an alternative program for children after camp. This gives your child more time at the Rec to focus on games and learn the rules of sports.

4:00-5:30 PM | \$15/week

STAY AND PLAY

This is a program that takes place before the camp day begins. The focus of the program is to provide time for your child to take part in fitness-related activities.

7:30-9:00 AM | \$15/week

FTT AND FUN

Activities are designed to incorporate active games, creative crafts, swimming 2-3 days each week and much more. Spots fill fast and are limited to the first 65 campers and 10 Leaders in Training. The deadline to register and make full payments for all programs is the Wednesday prior to each week of camp. Sign up today with a \$40 deposit per week to hold your child's spot in camp.

Age	Camp Hours	Pricing
K-14 years	9AM-4PM	Affiliate Price \$135/week Community Price \$155/week
Camp participants must have completed kindergarten and be entering First Grade prior to camp.	Identification must be presented upon picking up your camper.	Price includes the \$40 deposit. Each additional sibling will be given \$5 off.
