By signing this document, I acknowledge having worked with ____________________________

in designing, planning and conducting initial research in a proposed plan of study which will be used
to satisfy the requirements of his/her participation as Discipline Faculty Mentor in McNair Scholars
Program at Cleveland State University. The research proposal submitted reflects work of a scholarly
nature, and the concepts and themes discussed therein pertaining to the field in which the proposed
study is to be carried out are accurate and current. [The SRI Research Proposal that accompanies
this form has to be typed, minimum three-pages (not including reference page) and double-spaced
in APA or another acceptable format.]
