Authorize the SGA Treasurer to begin offering conditional reimbursements for expenses incurred during the first semester of the 2025-26 academic year, on a case by case basis and subject to authorization by a vote of the Student Senate, documentation requirements being met, and prior adherence to the guidelines in place.
2. Require each active and recognized student organization to submit an itemized budget for anticipated expenses in the second semester, subject to the RSO manual and containing adequate documentation and justification for each expenditure, or forgo General Fee funding for the upcoming semester.
