 - The city of Cleveland may call for an evacuation of the city under either a precautionary basis or due to disaster. The University intends to fully comply with any and all such directions. IN THE EVENT OF A CITY OF CLEVELAND EVACUATION, the city will notify CSU and the University will begin evacuating at once.
 - Any evacuation of CSU will be initiated by the CSU Police Department.

 - Most likely the CSU campus will need to exit and drive to the east using Euclid, Chester, Prospect, Payne, or as directed by the Police or Safety Force members.
 - Cross town traffic will not be permitted, neither will access into the city. Inbound traffic will be restricted to emergency and mass transit
 - Mass transit will remain as operational as possible.
 - In the event that vehicular evacuation is not possible, plans have been made to evacuate via a pedestrian method. You will be notified by CSU if this occurs.
 - Several transit hubs have been selected just outside the downtown area, to which citizens can travel and access mass transit to outlying lying temporary shelters. The closest temporary shelter to CSU is the Tri-C Metro campus. Upon arrival at the temporary shelters, citizens will be put aboard RTA buses to suburban malls.

Alternatives to CSU Parking:

If you're looking for alternatives to purchasing a prepaid permit, there are several options available.

- 1) Ride RTA, 2) Take advantage of metered street parking (managed by the City of Cleveland),
- 3) Select a neighborhood parking lot operated by a private parking company or 4) Borrow a Zipcar on campus 24/7!
