

# CSU 2017 CARBON EMISSIONS

## EMISSIONS MTCO2E

**Scope 1 emissions** - fuel combustion on campus (natural gas), transport fuels, fertilizers and refrigerants

**Scope 2 emissions** - off-campus combustion of fuels for purchased electricity, steam, and chilled water

**Scope 3 emissions** - related to air travel, commuting, waste, wastewater, and transmission and distribution (T&D) losses associated with Scope 2 emissions
