COMMENCEMENT SPEAKER

Sandra R. Williams joined Spectrum (Charter Communications, Inc.) as the director of state government affairs in 2022, where she is responsible for developing and implementing government affairs strategies in Northeast Ohio.

Williams served as Ohio State Senator for the 21st Senate District from 2014 to 2022. She is a former member of the Ohio House of Representatives where she served eight years as state representative. As a member of the Democratic Party and Ohio's General Assembly, Sandra Williams built bipartisan relationships with lawmakers in Ohio and throughout the United States and her record of community service earned her the reputation as a true stateswoman.

Most recently Williams secured a historic half a billion dollars in state operating budget funding (FY 22–23) to clean up hazardous brownfield sites across the state. She also led the charge to restructure the Cleveland Metropolitan School District (CMSD). Through her authorship and advocacy of the Cleveland Plan, CMSD saw increased graduation rates of 87% along with increased attendance rates.

She has worked to expand job training opportunities for Ohioans entering the workforce or transitioning into new fields and championed initiatives that revised criminal sentencing and re-entry laws to remove significant barriers to employment. Williams spearheaded the passage of Ohio's Lupus Education and Awareness Program. She also proudly sponsored "Aliana's Alert," which requires schools to contact a student's parent or guardian if the student does not show up for school within two hours of the start of the school day.

As the former president of the Ohio Legislative Black Caucus (OLBC), Williams focused on initiatives such as promoting quality education in the African American community, voting rights, decreasing inequalities in health care, increasing opportunities for minority business enterprises and improving racial disparities in the criminal justice system. She also secured 20% of construction contracts for an Ohio State University hospital project that led to Cleveland and Northeast Ohio businesses earning millions of dollars in contracts. As part of OLBC's commitment to higher education, she created the OLBC scholarship fund, which provides scholarships to Ohio students.

Prior to becoming an official, Williams spent more than three decades in public service—as a corrections officer, probation and parole officer, mediator for the State of Ohio and legislative aide. She also served our country as a member of the United States Army Reserve and was honorably discharged in 1995. In addition to her legislative duties, Williams previously served as the vice chairwoman of the Cuyahoga County Democratic Party and taught courses at Tiffin University and Cleveland State University.

Williams is a native of Cleveland, Ohio, where she attended Cleveland Public Schools. She holds a bachelor's degree from Cleveland State University in political science with a minor in criminal justice, a master's in criminal justice administration from Tiffin University and an executive master's in business administration from Cleveland State University. She also is the recipient of an honorary doctorate degree from Tiffin University.

HONORARY DEGREE RECIPIENT

Lawrence James Travagliante—better known to Clevelanders by his on-air moniker, **Kid Leo**—currently serves as both general manager and afternoon disc jockey on “Little Steven’s Underground Garage” on Sirius XM Radio.

A Cleveland native, Travagliante graduated from Our Lady of Lourdes Central High School in the Slavic Village neighborhood in 1968. He enrolled at Cleveland State University for the fall quarter of 1968 with the intention to study engineering, but like many college students, he changed course across 12 quarters of study—from engineering to business and finally, communication.

Travagliante left CSU prior to graduating to join Cleveland rock station WMMS (100.7 FM, “The Buzzard”) initially as a fill-in disc jockey. During his 16-year tenure at the station, WMMS was consistently regarded as one of the highest-rated radio stations in the country.

To quote one local writer, “To many, Kid Leo was WMMS. For sixteen years he was the pulse of the station, pumping music and life into the veins of listeners.” He was known for embracing new acts and was credited with breaking many artists in the Cleveland market, giving them a more competitive advantage for national exposure. Some of those artists include Bruce Springsteen, John Mellencamp, Pat Benatar, Roxy Music, The Pretenders, Cyndi Lauper, New York Dolls and Southside Johnny.

While at WMMS, Travagliante became involved in the campaign to bring the Rock and Roll Hall of Fame to Cleveland. For his efforts in helping secure the Rock Hall, Senator George Voinovich (former Cleveland mayor and governor of Ohio) presented him with the key to the city in 1990. Travagliante’s on-air work is represented as part of a permanent exhibition on radio in the Rock and Roll Hall of Fame.

In 1988, Travagliante left to work as an executive at Columbia Records, where he served until 2002, creating successful campaigns that elevated artists Alice in Chains, Shawn Colvin, Train and others to worldwide acclaim. He left to form LJT Entertainment, LLC. The music- and media-focused consultancy company has worked with a diverse range of clients including TeachRock, the Rock and Roll Hall of Fame and Renegade Nation.

Since 2004, Travagliante has been involved with Sirius XM Radio’s “Underground Garage,” a satellite radio channel-brand, with iconic Springsteen sideman/guitarist “Little Steven” Van Zandt.

In his lifetime, Travagliante has won many radio industry awards. He has been named one of “The Heavy Hundred of the Music Business” by Rolling Stone Magazine and one of the “Top 10 DJs of All-Time” by CNN.

Travagliante now lives in coastal North Carolina with his wife of 43 years, Jackie. They have 2 children, Valeri (Hedges) and Dion, and one grandchild, Adrienne.

ACADEMIC REGALIA

THE UNIVERSITY MACE

The Cleveland State University mace is a memorial to Ethel A. Gould and was presented to the University by her daughter, Betty, who was the wife of Dr. Walter B. Waetjen, president of the University from 1973–1988. The mace was first used in 1978 at ceremonies commemorating the opening of the College of Law building and honoring H.R.H. Prince Charles, Prince of Wales. Originally a part of chivalric armor, the mace has become a traditional symbol of authority carried in ceremonial processions.

THE CAP

The academic cap is a sign of the freedom of scholarship and endows the wearer with new scholarship responsibilities and dignities. Old poetry suggests that the cap of scholarship is square to symbolize a book, although some authorities claim that the mortar board is the symbol of masons, a privileged guild.

THE GOWN

The flowing gown comes from the 12th century. It has become symbolic of the democracy of scholarship, for it completely covers any dress of rank or social standing underneath. It is black for all degrees. The bachelor gowns are untrimmed. The master gowns are faced with velvet in front and the doctoral gown includes three bars of velvet across the sleeves in the color distinctive of the faculty or discipline to which the degree pertains.

THE HOOD

The hood is an inverted shield with one or more chevrons of a secondary color on the background of the primary color of the college. The color of the facing of the hood denotes the discipline represented by the degree; the color of the lining of the hood designates the university or college that granted the degree.

THE TASSEL

Colored tassels are worn only by preference and should be worn draped over the right front quarter of the cap for undergraduate candidates and the left front quarter of the cap for graduate and doctoral candidates. Following is a partial list of tassel and hood colors established by the Intercollegiate Code announcing the discipline of academic study:

White: Arts, Letters, Humanities

Gold: Science

Drab: Business Administration,
Commerce, Accounting

Light Blue: Education

Orange: Engineering

Red: Urban Studies

Purple: Law

Pink: Music

Apricot: Nursing

Peacock Blue: Public Administration

Salmon Pink: Public Health

Citron: Social Work (Master's Degree)

Dark Blue: Philosophy (Ph.D./
Doctoral Degree)

Gold and Silver Metallic: Worn by
doctors or presidents of universities
and colleges
