

3344-12-05 Policies pertaining to clinical professors.

A clinical faculty member is one who holds at least a master's degree in a professional discipline and who is an expert practitioner of that discipline. This category of faculty shall be limited in number and to selected departments subject to the provisions of the current CSU-AAUP collective bargaining unit. Eligibility for the clinical professor rank requires an appropriate terminal degree. Clinical faculty shall be members of the CSU-AAUP collective bargaining unit and are eligible for tenure.
