

3344-16-05 Faculty-student ratio.

- (A) The ratio of full-time equivalent (FTE) students to full-time equivalent faculty (all teaching faculty, bargaining and non-bargaining) shall be maintained at a value not to exceed 20:1 across the university, with a limit not to exceed a ratio of 25:1 for any individual college.
- (B) The administration and the CSU-AAUP recognize the need to maintain a strong complement of full-time tenure track faculty. Therefore, if either of the ratios specified above is exceeded for two consecutive semesters (not including summer semester), representatives of the administration and the CSU-AAUP shall meet to develop a strategy to restore these ratios.
- (C) The foregoing provisions of this article shall not apply if the university declares a financial exigency or if conditions warrant an academic reorganization.
- (D) Before the end of the fourth week of the second term in each academic year, the administration shall calculate the ratio of full-time equivalent (FTE) students to full-time equivalent faculty (all teaching faculty, bargaining and non-bargaining) for each college and for the university as a whole for the previous academic year and shall publish the results to the campus community. In addition, the administration shall provide the CSU-AAUP with a separate copy of the results and how the ratios were calculated.
