- Series 2011 General Receipts Bonds: The offering document and amortization schedule for this series do not seem to be publicly available. Can you please provide this information?
- Series 2011 Bonds. Can you provide the amortization and terms of this taxable bond issue?

Response: Information for the offering document, amortization schedule and terms of the Trust Agreement with USBank are provided as attachments.

- Series 2019 Direct Purchase with PNC: Does the University have a specific plan in place for the upcoming maturity of \$27.7 million on 06/21/22?
- Series 2019 Bonds. Can you provide the amortization and terms of this direct lending? Does the University have a preliminary plan in place for the mandatory redemption in 2022?

Response: CSU is currently considering rolling over the 2019 Direct Purchase bonds over for another 2–3-year period.

- Can the University provide information on planned projects that may comprise new financing requirements as described in the scope of work?
- Does Cleveland State University have any major capital projects planned for the next 24 months that it might also include in the bond issue?
- Are there any new money needs/plans for Cleveland State University (CSO) or Euclid Avenue
 Development Corporation (EADC)? o If so, please provide an estimate of anticipated timing and
 total amount of new money

Response: CSU is in the process of planning for a variety of initiatives related to CSU 2.0. Specific projects have not been defined at this time.

• Capital Leases. Can you provide the amortization and terms of the \$18,220,000 capital lease principal payments due 2041-2045?

Response: The capital leases of \$18,220,00 are leases on the parking garages owned by CSU's component unit, Euclid Avenue Development Corporation. The amortization schedule for Series 2019 is attached.

- Can you elaborate on whether this will be a negotiated or a competitive sale of bonds?
- The Scope of Work includes assembling the financing team, including selection of one or more investment banks, which would imply a negotiated sale of the bonds. The Scope of Work, however, also includes coordinating a competitive sale of bonds.
- Is CSU only looking to issue public competitive bonds or would CSU also be interested in reviewing and assessing other alternative financing options?

Response: We anticipate that the financial advisor will assist us in determining the best approach between negotiated or competitive sale of bonds.

• Does Cleveland State University have a debt policy and, if so, is it available to review?

Response: Cleveland State does not have a formal debt management policy. The only debt is bond debt and the Board of Trustees reviews, analyzes and approves each potential issuance on a case-by-case basis.

• Does CSU anticipate an RFP process to occur for other financing team members such as Bond Counsel, Bond Trustees and Underwriters/Banking partners?

The need for additional RFPs will be evaluated as part of the project.

- (a) Form and Numbering. The Series 2011 Bonds shall be issued only as fully registered Bonds and substantially in the form set forth in the Supplemental Trust Agreement, and shall be numbered as determined by the Fiscal Officer. The Series 2011 Bonds may be issued to a Securities Depository for holding in a book entry system and: (i) those Bonds shall be registered in the name of the Depository or its nominee, as registered owner, and immobilized in the custody of the Securities Depository; and (ii) the Series 2011 Bonds as such shall not be transferable or exchangeable, except as provided in the applicable Supplemental Trust Agreement.
- **(b) Denomination and Dates.** The Series, 2011 Bonds shall be issued in the denominations provided in the applicable Supplemental Trust Agreement. Series 2011 Bonds initially issued and those authenticated prior to the first Interest Payment Date shall be dated their date of issuance or as of another date as may be stated in the applicable Certificate of Award. Bonds subsequently authenticated shall be dated as to be provided in the applicable Supplemental Trust Agreement.
- (c) Interest. The Series 2011 Bonds shall bear interest from their respective dates payable on the Interest Payment Dates at the respective rates per annum to be determined by the Fiscal Officer and set forth in the applicable Certificate of Award and Supplemental Trust Agreement. If the Series 2011 Bonds are issued initially as obligations bearing interest at fixed rates, the weighted average fixed interest rate of Series 2011 Bonds of a Series shall not exceed six percent (6%) per year. If the Series 2011 Bonds are issued initially as obligations bearing interest at a variable rate or rates, those rates shall not exceed the maximum rates set forth in Section 3 and, upon any conversion of those variable rate Bonds to a fixed rate to maturity, the fixed rate shall be determined as provided in the Supplemental Trust Agreement.
- (d) Maturities. The Series 2011 Bonds shall mature on the dates and in the amounts as the Fiscal Officer determines, provides and states in the Certificate of Award, provided that no Series 2011 Bonds shall mature later than July 31, 2031.

(e) Prior Redemption.

(i) Term Bonds--Mandatory Redemption. If provided for in the Certificate of Award, Series 2011 Bonds maturing in a particular year may be consolidated with the principal amount of Bonds maturing in one or more prior consecutive years to provide for Series 2011 Bonds maturing in that later year in the aggregate principal amount of those consolidated maturities ("Term Bonds"). Any such Term Bonds shall be subject to mandatory redemption by the University pursuant to Mandatory Sinking Fund Requirements at a redemption price equal to 100% of the principal amount redeemed, plus accrued interest to the date of redemption, on the dates and in the annual principal amounts set forth in the Certificate of Award.

The amounts required to be paid to the Bond Service Account shall include amounts sufficient to timely redeem (less the amount of any credit as provided below) the respective principal amounts of any Term Bonds subject to mandatory sinking fund redemption. For the purpose of effecting the mandatory redemption of any Term Bonds, the Trustee, on behalf of the University and without necessity for further action by the University, shall cause to be redeemed on each mandatory sinking fund redemption date, in the manner provided below, the aggregate principal amount of the Term Bonds as equals the Mandatory Sinking Fund Requirements, as provided in this Section and Certificate of Award.

At its option, to be exercised on or before the 45th day next preceding any mandatory sinking fund redemption date, the University may (i) deliver to the Trustee for cancellation Term Bonds, in any aggregate principal amount desired, or (ii) receive a credit in respect to the Mandatory Sinking Fund Requirement (and corresponding mandatory redemption obligation) of the University for any Term Bonds maturing on the same date as the Term Bonds so delivered to the Trustee, which prior to that date have been redeemed (other than through the operation of the Mandatory Sinking Fund Requirements provided for) or purchased for cancellation and cancelled by the Trustee and not theretofore applied as a credit against any Mandatory Sinking Fund Requirement (and corresponding mandatory redemption obligation). Each Term Bond so delivered or previously redeemed or purchased for cancellation shall be credited by the Trustee at 100% of its principal amount against the Mandatory Sinking Fund Requirement (and corresponding mandatory redemption obligation) of the University on that redemption date with respect to Term Bonds maturing on the same date and any credit in excess of that amount may be credited against future Mandatory Sinking Fund Requirements with respect to Term Bonds maturing on the same date. If the University intends to avail itself of the provisions of this paragraph, the University will on or before the 45th day next preceding the applicable redemption date furnish the Trustee with a certificate, signed by the Fiscal Officer, stating the extent to which the provisions of clauses (i) and (ii) above in this paragraph are to be availed of with respect to such Mandatory Sinking Fund Requirement (and corresponding mandatory redemption obligation). Unless that certificate is so timely furnished by the University, the Mandatory Sinking Fund Requirement (and corresponding mandatory redemption obligation) for that date shall not be reduced.

- (ii) Optional Redemption. Unless otherwise determined by the Fiscal Officer, each maturity of the Series 2011 Bonds shall be subject to redemption at the option of the University prior to their stated maturities, in whole or in part (as directed by the University), from moneys other than those deposited in accordance with any Mandatory Sinking Fund Requirements as provided above, on any Interest Payment Date at a redemption price equal to the principal amount of the Bond(s) being redeemed plus a Make Whole Amount Premium equal to the excess, if any, of (i) the sum of the present values (determined as of the date of prepayment) of all remaining scheduled payments of principal and interest on the Bond(s) being redeemed from the date of prepayment to the maturity date, discounted at a rate equal to the yield on the interpolated US Treasury obligation having a weighted average to that of the bonds at the time of prepayment plus 50 basis points, and (ii) the principal amount of the Bond(s) being prepaid. The foregoing notwithstanding, the Bonds can be prepaid during six month period prior to maturity without payment of any Make Whole Premium. If determined to provide lower interest costs and to be in the best interest of the University, as may be provided in the Certificate of Award, the Fiscal Officer may determine that none of the maturities of Series 2011 Bonds will be subject to optional redemption prior to maturity or that certain maturities of Series 2011 Bonds will not be subject to optional redemption prior to maturity.
- (iii) Purchase in Lieu of Redemption. Series 2011 Bonds may be subject to purchase by the University in lieu of optional redemption if and to the extent provided in the Certificate of Award and applicable Supplemental Trust Agreement.
- (iv) Partial Redemption. If fewer than all of the outstanding Series 2011 Bonds of one maturity, if at the time not registered in the name of a Securities Depository or its nominee, are to be called for redemption or purchase in lieu of redemption, the selection of the Bonds or portions of those Bonds (in whole multiples of \$5,000) of that maturity to be called for redemption or purchase shall be made by lot in the manner provided in the Trust Agreement. If optional redemption or purchase of Series 2011 Bonds at a redemption or purchase price above 100% of the principal amount is to take place on any applicable mandatory sinking fund redemption date, the Bonds to be optionally redeemed or purchased shall be selected prior to the selection of the Term Bonds to be redeemed by mandatory sinking fund redemption.

- (v) Notice. Notice of call for redemption of Series 2011 Bonds, setting forth information, identifying the Series 2011 Bonds or portions of those Bonds to be redeemed, the date fixed for redemption and the place or places where amounts due upon redemption are payable, shall be given by mail by the Trustee on behalf of the University, mailed not less than 30 days prior to the redemption date to the registered owners of those Bonds to be redeemed in whole or in part at their addresses appearing on the Register. Notice by publication shall not be required. Failure to receive notice by mailing, or any defect in that notice, as to any Series 2011 Bond shall not affect the validity of the proceedings for the redemption of any other Series 2011 Bond.
- **(f) Places and Manner of Payment.** The Series 2011 Bonds shall be payable at the places and in the manner provided in the applicable Supplemental Trust Agreement.
- **(g)** Execution and Authentication. The Series 2011 Bonds shall be executed and authenticated in the manner provided in the Trust Agreement.

\$5,775,000.00 CLEVELAND STATE UNIVERSITY TAXABLE GENERAL RECEIPTS BONDS, SERIES 2011 CERTIFICATE OF AWARD

As authorized by the Resolution adopted by the Board of Trustees of Cleveland State University on June 28, 2011 as amended by Executive Committee on August 23, 2011, providing for the issuance of one or more series of Taxable General Receipts Bonds, I award the fixed interest rate series of those Bonds in the principal amount of \$5,775,000 (the Series 2011 Bonds) to Phoenix life Insurance Company ("Phoenix") and PHL Variable Insurance Company ("PHL"), (collectively, the Original Purchasers) at the purchase price and with the principal maturities and interest rates per annum and other provisions, as stated below.

- A. <u>Purchase Price</u>. The purchase price for the Series 2011 Bonds shall be \$5,775,000 for the aggregate principal amount of those Bonds, representing the par amount (\$5,775,000) of which Phoenix shall be allocated \$2,775,000 in aggregate principal amount and PHL will be allocated \$3,000,000 in aggregate principal amount. There is no accrued interest on the aggregate principal amount of the Series 2011 Bonds, which are dated the date of their delivery to the Original Purchasers and payment therefor.
- B. <u>Date, Principal Maturities and Interest Rates</u>. The Series 2011 Bonds shall consist of the bonds maturing October 1, 2011 through April 1, 2042. The Series 2011 Bonds shall be dated the date of their delivery to the Original Purchasers, shall mature monthly in the respective principal amounts, and those principal amounts shall bear interest payable monthly, beginning October 1, 2011, at the rate of 5.320%, as provided in the attached schedule A.
- C. Optional Redemption Terms and Prices. The Series 2011 Bonds may be redeemed, in whole, but not in part, on any Interest Payment Date, in an amount equal to the then outstanding principal balance of such Bond, together with accrued interest thereon to the date of redemption, plus the Make Whole Premium. In the six-month period prior to Maturity, the Bonds can be repaid without payment of the Make Whole Premium.

The Make Whole Premium is the excess, if any, of (i) the sum of the present values (determined as of the date of prepayment) of all remaining scheduled payments of principal and interest on the Bonds from the date of prepayment to the maturity date, discounted at a rate equal to the yield on the interpolated US Treasury obligation having a weighted average to that of the Bonds at the time of prepayment plus 50 basis points, and (ii) the principal amount of the Bonds being prepaid.

The Bondholders irrevocably grant to the University the option to purchase any Series 2011 Bond which is redeemable by optional redemption pursuant to the Certificate of Award at a purchase price no less than the redemption price to be paid to Bondholders upon optional redemption. The University may exercise such option by written request delivered to the Trustee

within the time period specified in Section 3.02 of the Trust Agreement, and the Trustee shall thereupon give the owners of the Series 2011 Bonds to be purchased notice of such purchase in the manner specified in Section 3.03 of the Trust Agreement as though such purchase were a redemption, and the purchase of such Series 2011 Bonds shall be mandatory and enforceable against the Bondholders. On the date fixed for purchase pursuant to any exercise of such option, the University shall pay the purchase price of the Series 2011 Bonds then being purchased to the Trustee in immediately available funds, and the Trustee shall pay the same to the Bondholders of such Series 2011 Bonds against delivery. Following such purchase, the Trustee shall cause such Series 2011 Bonds to be registered in the name of the University or its nominee and shall deliver them to the University or its nominee. In the case of the purchase of less than all of the Series 2011 Bonds, the particular Series 2011 Bonds to be purchased shall be selected in accordance with the provisions of the Trust Agreement as though such purchase were a redemption; or in such other manner as the University shall direct, provided such selection method is described in the written request to the Trustee. No purchase of Series 2011 Bonds pursuant to this paragraph shall operate to extinguish the indebtedness evidenced by the purchased Series 2011 Bonds.

- D. <u>Numbering</u>. The Series 2011 Bonds originally issued shall be numbered consecutively from R-1 upwards in order of maturity beginning with the earliest maturity.
- E. <u>Credit Support Instrument</u>. I have determined that a municipal bond insurance policy will not result in a savings in the cost of this financing. As such, there will be no Credit Support Instrument for this financing.
- F. <u>Incorporation</u>. Pursuant to the Resolution, this Certificate of Award shall be incorporated in and form part of the Ninth Supplemental Trust Agreement.

BOND PLACEMENT AGREEMENT

PHOENIX LIFE INSURANCE COMPANY (the "Purchaser"), and CLEVELAND STATE UNIVERSITY (the "University"), enter into this Agreement dated as of September 23, 2011 (the "Agreement"), for the purchase by the Purchaser from the University of certain bonds proposed to be issued by the University, referred to in the caption and more fully described below. Upon signatures of the parties' duly authorized officers in the signature spaces provided below, the following terms of agreement shall become contractual and binding by and between the Purchaser and the University. The Bonds are being issued under the authority of Sections 3345.11 and 3345.12 of the Revised Code.

In consideration of their mutual covenants and agreements, the Purchaser and the University agree as follows (with capitalized words and terms not otherwise defined herein having the meanings assigned in Section 3):

Section 1. <u>Description of and Agreement to Purchase the Bonds</u>. Upon and subject to the terms, conditions and provisions set forth in this Agreement, the Purchaser agrees to purchase from the University, and the University agrees to sell Purchaser, Two Million Seven Hundred Seventy-Five Thousand and no/100th Dollars (\$2,775,000.00) in aggregate principal amount of the University's Series 2011 (Taxable General Receipts) (the "Bonds"). The Bonds are being issued under the authority of the Act and will have the terms determined in or pursuant to the Bond Legislation.

The Bonds will be dated as of the Closing Date. The Bonds will mature on the Maturity Date and bear interest computed on the basis of a 360-day year consisting of twelve (12) 30-day months based upon the Coupon and the outstanding principal balance of the Bonds for the previous thirty (30) day period (or such other period with respect to the first Interest Payment Date, if applicable). Interest shall be payable on each Interest Payment Date, commencing October 1, 2011, all as provided for in the Bond Legislation.

Each Bond may be redeemed, in whole, but not in part, on any Interest Payment Date, in an amount equal to the then outstanding principal balance of such Bond, together with accrued interest thereon to the Interest Payment Date, plus the Make Whole Premium. In the six (6) month period prior to Maturity, the Bonds can be repaid without payment of the Make Whole Premium.

The University will covenant that if the University enters into, assumes or otherwise becomes bound or obligated under, or amends, restates or otherwise modifies, any agreement creating or evidencing any indebtedness of the University, or any portion thereof, to include one or more additional covenants or additional defaults, the terms of this Agreement shall, without any further action on the part of the University, be deemed to be amended automatically and immediately to include each additional covenant and each additional default contained in such agreement.

EXHIBIT A

\$5,775,000.00 CLEVELAND STATE UNIVERSITY TAXABLE GENERAL RECEIPTS BONDS, SERIES 2011 CERTIFICATE OF AWARD

As authorized by the Resolution adopted by the Board of Trustees of Cleveland State University on June 28, 2011 as amended by Executive Committee on August 23, 2011, providing for the issuance of one or more series of Taxable General Receipts Bonds, I award the fixed interest rate series of those Bonds in the principal amount of \$5,775,000 (the Series 2011 Bonds) to Phoenix life Insurance Company ("Phoenix") and PHL Variable Insurance Company ("PHL"), (collectively, the Original Purchasers) at the purchase price and with the principal maturities and interest rates per annum and other provisions, as stated below.

- A. <u>Purchase Price</u>. The purchase price for the Series 2011 Bonds shall be \$5,775,000 for the aggregate principal amount of those Bonds, representing the par amount (\$5,775,000) of which Phoenix shall be allocated \$2,775,000 in aggregate principal amount and PHL will be allocated \$3,000,000 in aggregate principal amount. There is no accrued interest on the aggregate principal amount of the Series 2011 Bonds, which are dated the date of their delivery to the Original Purchasers and payment therefor.
- B. <u>Date</u>, <u>Principal Maturities and Interest Rates</u>. The Series 2011 Bonds shall consist of the bonds maturing October 1, 2011 through April 1, 2042. The Series 2011 Bonds shall be dated the date of their delivery to the Original Purchasers, shall mature monthly in the respective principal amounts, and those principal amounts shall bear interest payable monthly, beginning October 1, 2011, at the rate of 5.320%, as provided in the attached schedule A.
- C. Optional Redemption Terms and Prices. The Series 2011 Bonds may be redeemed, in whole, but not in part, on any Interest Payment Date, in an amount equal to the then outstanding principal balance of such Bond, together with accrued interest thereon to the date of redemption, plus the Make Whole Premium. In the six-month period prior to Maturity, the Bonds can be repaid without payment of the Make Whole Premium.

The Make Whole Premium is the excess, if any, of (i) the sum of the present values (determined as of the date of prepayment) of all remaining scheduled payments of principal and interest on the Bonds from the date of prepayment to the maturity date, discounted at a rate equal to the yield on the interpolated US Treasury obligation having a weighted average to that of the Bonds at the time of prepayment plus 50 basis points, and (ii) the principal amount of the Bonds being prepaid.

The Bondholders irrevocably grant to the University the option to purchase any Series 2011 Bond which is redeemable by optional redemption pursuant to the Certificate of Award at a purchase price no less than the redemption price to be paid to Bondholders upon optional redemption. The University may exercise such option by written request delivered to the Trustee within the time period specified in Section 3.02 of the Trust Agreement, and the Trustee shall thereupon give the owners of the Series 2011 Bonds to be purchased notice of such purchase in

the manner specified in Section 3.03 of the Trust Agreement as though such purchase were a redemption, and the purchase of such Series 2011 Bonds shall be mandatory and enforceable against the Bondholders. On the date fixed for purchase pursuant to any exercise of such option, the University shall pay the purchase price of the Series 2011 Bonds then being purchased to the Trustee in immediately available funds, and the Trustee shall pay the same to the Bondholders of such Series 2011 Bonds against delivery. Following such purchase, the Trustee shall cause such Series 2011 Bonds to be registered in the name of the University or its nominee and shall deliver them to the University or its nominee. In the case of the purchase of less than all of the Series 2011 Bonds, the particular Series 2011 Bonds to be purchased shall be selected in accordance with the provisions of the Trust Agreement as though such purchase were a redemption; or in such other manner as the University shall direct, provided such selection method is described in the written request to the Trustee. No purchase of Series 2011 Bonds pursuant to this paragraph shall operate to extinguish the indebtedness evidenced by the purchased Series 2011 Bonds.

- D. <u>Numbering</u>. The Series 2011 Bonds originally issued shall be numbered consecutively from R-1 upwards in order of maturity beginning with the earliest maturity.
- E. <u>Credit Support Instrument</u>. I have determined that a municipal bond insurance policy will not result in a savings in the cost of this financing. As such, there will be no Credit Support Instrument for this financing.
- F. <u>Incorporation</u>. Pursuant to the Resolution, this Certificate of Award shall be incorporated in and form part of the Ninth Supplemental Trust Agreement.
