As we look forward to a new academic year, let me welcome all new and returning students to the TRIO family. For some of you this is your first year at CSU, while for others this will be your last year with us. Whatever your status, we are glad to welcome you back!

Congratulations to all of our students who did well academically during the 2021-2022 academic year. All of your hard work and perseverance paid off. Well done!

To the incoming class, my advice to you is very simple, especially if you want to join our list of outstanding graduates: Set high goals, follow your dreams, believe in yourself and think BIG. If you do this, no one can stop you from achieving your goals. So, make the most of it and make good choices.

Remember that your TRIO staff is ready to assist you with renewed vigor and enthusiasm. Welcome and I look forward to seeing you at our TRIO events.

TRIO Works!
