

## Center for Faculty Excellence

### 2017-2018 Workshops Remaining

ALL WORKSHOPS TAKE PLACE FROM 11:30AM TO 12:30PM AT RHODES TOWER, ROOM 401, UNLESS A DIFFERENT ROOM HAS BEEN ANNOUNCED. WE PROVIDE LUNCH AND BOTTLED WATER. PLEASE COME IF YOU CAN, EVEN IF YOU DID NOT RSVP. WALK-INS ARE ALWAYS WELCOME. JUST BRING YOUR LUNCH OR A SNACK AND JOIN US. JUST A REMINDER THAT IF YOU NEED TO COME A LITTLE LATE OR LEAVE A LITTLE EARLY BECAUSE OF YOUR CLASSES, YOU ARE ALWAYS WELCOME TO DO SO.

<i>Date</i>	<i>Day</i>	<i>Workshop Title</i>	<i>Presenter(s)</i>	<i>Description</i>
4/19/2018	Thurs	<a href="#">COSHP &amp; COE Workshop: Working with Student Researchers</a>	Dr. Dan Simon, Assoc. VP of Research & Professor in the Department of Electrical and Computer Engineering	Join us for a panel discussion about how to hire, supervise, and work with student researchers. The panel will discuss the hiring and supervision of both undergraduate and graduate students. The panel will include faculty from several colleges, and will discuss various administrative issues and personnel issues. Panel members include: Drs. Dan Simon, Nolan Holland (Professor in the Chemical Biomedical Engineering Department), Bin Su (Assoc. Professor in the Chemistry Department), and Conor McLennan (Assoc. Professor in the Psychology Department).
