Configuring iOS devices for CSUwireless

1. Go to **Settings – Wi-Fi**

2. Tap **CSUwireless**

3. Enter your **CSU ID** and **Password**

4. Tap **Join**

5. Verify the certificate presented is **ise-psn1.csuohio.edu** or **ise-psn2.csuohio.edu** and select **Trust**

You are now connected to Cleveland State University's secure wireless network.
