Confirmation Permits

Confirmation permits are temporary permits that are valid for 12 days from the valid date or purchase date. Confirmation permits can be printed and placed face up on your dashboard until you receive your hangtag permit (to be displayed from the rearview mirror).

A link to the Confirmation permit is provided in the receipt that is emailed as confirmation of your permit purchase:

Confirmation permits allow access to the same lots and garages provided by your hangtag permit. Confirmation permits should be treated as a permanent hangtag permit. If you received your hangtag permit in the mail, you should not use the Confirmation permit. Confirmation permits are not transferrable and may only be used by the purchaser on the vehicle(s) registered to their parking account. Misuse of a confirmation permit (or a hangtag permit) will result in citations and additional sanctions as determined by Parking Services.
