**College/ Program Notes:**

The plan above is a suggested guide to ensure that all General Education, College, University, and Major requirements are met within 3 years of study. Students may deviate from the suggested placement of Gen Ed courses, although the M/QL and W/C requirements should be completed during the first year of study.

\*General Electives ensure that a student accumulates the minimum credit hour totals needed for graduation. Students must have a **minimum of 120 total credit hours**, of which a **minimum of 42 credit hours** must be upper division (300 or 400-level courses). Depending upon other elective choices made, students may not need as many general electives as indicated above, or may need additional electives. In order to enter the Cleveland-Marshall College of Law in the 4th year and graduate with a B.A. in Criminology after successfully completing the first year of law school, a student must have earned 91 credit hours at the undergraduate level, and have finished their University General Education requirements, College requirements, and Major requirements.
