

STUDENT/STAFF GATED ACCESS AUTHORIZATION FORM

Form must be completed for each permit purchase

Disabled CSU students and staff with a valid green permit that wish to request full access to gated garages must complete the information below. A copy of the Certificate of Registration and a copy of the disabled placard issued from the State must be provided before gated access is granted. Please allow up to 3 business days for full gated access to be granted.

Please note that in order to access gated garages, permit holders MUST have their Viking Card to scan in and out. If you do not have your Viking Card, you cannot access a gated facility. Failure to scan in or out may cause you to have to pay to exit the facility. Each individual who chooses to park at Cleveland State University is expected to comply with established rules and procedures. See additional information under Parking Rules at www.csuohio.edu/services/parking/rules.

To apply for disabled parking access authorization, complete this form and send with a copy of your Disabled Placard and Certificate of Registration to CSU Parking Services in person, via email (parking@csuohio.edu) or fax: 216-687-5505.
