

## Draft of Schedule for ASC 101 F16

To complete these components the course has been divided into four specific learning segments, in which the students will explore several of the 10 components in a timely manner related to their first semester at Cleveland State University. It is strongly suggested completion of the above components be done within the blocks defined in the table below.

Successful Start Weeks 1-4	1. Welcome Syllabus Review	Pathways to Success Weeks 9-12	9. Introduction to Cleveland Based Learning (CBL)
	2. Exploration of CSU		10. Library visit and CBL site exploration
	3. Intro College Success Strategies		11. CBL group presentations
	4. Out of class completion of Blackboard Module and online scavenger hunt.		12. Completion of Campus Services Event, preparation for group presentation
Navigating Resources Weeks 5-8	5. How to get help? TASC, Counseling Center other resources – Stress discussion	Strong Finish Weeks 13-16	13. Financial Aid/Health Services
	6. Talk to My Professor?		14. Instructor Choice
	7. ALICE Training		15. Instructor Choice
	8. Out of class completion DHPA Module, Degree Audit, Faculty Interview		Online Evaluation

- Students will not attend class this week. Day is designated for completion of out-of-class assignments.
- Introduction to University Life will meet on these days. Twelve class meetings have been scheduled throughout the semester. Individual instructors are free to modify the schedule to include guest speakers and to meet the needs of their individual section.
