*Transfer students must complete at least 18 credit hours of the 35 required for the major in residence at CSU to earn a degree.

Additional Information:

Assumptions: College-level readiness in MATH and ENG.

CSU requires a minimum of 120 total credit hours for graduation. At least 30 credits must be completed in-residence at CSU. At least 24 of the in-residence credits must be completed at the upper division (300/400) level. An overall total of 42 upper division (300/400) level credits are required. Students deficient in total credits or in-residence credits must take additional elective credits to meet the minimum requirements. Depending upon other elective choices made, students may not need as many general electives as indicated above, or may need additional electives.

Students who do not complete the Associate of Arts degree will need to complete additional General Education requirements at Cleveland State University.
