Crossing Borders to Innovate Possibility: Forging a 21st Century Diversity and Inclusion Agenda

Friday, October 6, 2017

6:00 PM - 7:30 PM

The Wolstein Conference Center
2000 Prospect Avenue E
West Wing - 4th Floor

covered visitor parking; corner of
E. 21st St. & Prospect Avenue
Handicapped accessible.

Dr. Williams is one of the nation's foremost authorities on diversity, inclusion, the Centennial Generation, and organizational change. This keynote session will explore the challenges of implementing change, the power of our nation's most diverse generation, the Centennials (born after 1997), and define the key strategies and techniques required to transform our institutions and empower a new generation of border crossing leaders.

For more information call 216-687-4645.
