

GoldFFX Training

What?

We offer free training sessions once a month for the ChemWatch GoldFFX interface. These are online training sessions, so you can participate from the comfort of your own office.

Scroll to the bottom of this email to see a list of the topics we will cover.

Who?

If you are a new user, if you have new employees who will be using ChemWatch, or if you need a refresher class, this training is what you are looking for!

This training is open to all Chemwatch users, so please feel free to share this email with colleagues.

When?

Register Here!

The second Tuesday of every month at 12:00 pm EST
(11:00 am Central, 10:00 am Mountain, 9:00 am Pacific)

April 10

Register for the date that works best for your schedule. All trainings cover the same material.

May 8

If you have several employees planning to share one computer to view the training, only one registration is required.

June 12

In This Training:

- An overview of Gold vs Vendor SDSs
- Searching the database
- Viewing, saving, printing SDSs in 47 languages
- Adding vendor SDSs to the system
- Creating folders to organize your SDSs
- An overview of our Emergency Reports
- Creating reports to export SDS data
- Creating and using customized labels
- Creating MINI SDSs or Labels for your own mixtures
- Creating Risk Assessments and RA Reports
