## Office of Disability Services (ODS) Approved Accommodations

Accommodation requests must be submitted to Office of Disability Services (ODS) for review and for approval through their office. Once approved, ODS will notify the Department of Residence Life and Housing and will proceed from there. For students to receive accommodations we need them to submit the online application, submit documentation of their disability, and come in for their intake appointment. Students are not registered with Disability Services until all these steps are complete. Visit <https://www.csuohio.edu/disability/register> to start the process.

### Helpful Tips for Completing Questionnaire

**Complete this yourself:** Do not have a family member log in and complete it. Only you truly know yourself.

**Reflect on each question:** Although your first instinct is probably the right answer, take time to think about each question and the long-term effects of each one.

**Be honest:** You will likely be happier if your answers represent your preferences, not what you perceive your answers “should be.” The only “right” answers are those that best reflect you and your needs.

**Made a mistake?** Don’t worry! You’ll be able to go back in and edit your responses until July 1.
