- 1.) Go to Housing Self-Service
- 2.) You will need to use your CSU ID login (ex: 1234567@vikes.csuohio.edu) and password. *If you need help with your password, call the Information Services & Technology (IS&T) Help Desk at 216.687.5050 during normal business hours.*

Office of Disability Services (ODS) Approved Accommodations

Accommodation requests must be submitted to Office of Disability Services (ODS) for review and for approval through their office. Once approved, ODS will notify the Department of Residence Life and Housing and will proceed from there. For students to receive accommodations we need them to submit the online application, submit documentation of their disability, and come in for their intake appointment. Students are not registered with Disability Services until all these steps are complete. Visit https://www.csuohio.edu/disability/register to start the process.

Housing Rates & Floor Plans

The housing rates are subject to approval by the CSU Board of Trustees and are outlined based on the CSU Guarantee Cohorts. All residential communities close during break periods. Students are permitted to stay in the communities during the Thanksgiving Recess and Spring Break periods as long as they register when each respective break registration opens. However, the residential communities are closed during the Winter Break period (between the end of Fall semester and the start of the Spring semester). Students who wish to stay during Winter Break will pay an additional charge to reflect the Winter Break period.

Application Questions & Questionnaire Instructions

Don't forget to complete the Application Questions after you review and sign the contract/agreement on the first page. For the Housing Application, the questionnaire information will be used to help assist the housing team in determining a "good fit" for your future roommates. Please complete these guestions yourself and answer truthfully so that we may find the best placement that meets your personality/profile.

Page 2: Application Questions & Roommate Questionnaire

After you review the contract and provide your electronic signature (on Page 1), you will be asked to complete application questions and a questionnaire about yourself. The questionnaire information will be used to help assist the housing team in determining a "good fit" for your future roommates. *Please complete this yourself and be sure to answer truthfully so we may find the best placement that meets your personality/profile.*

Helpful Tips for Completing Questionnaire

Complete this yourself: Do not have a family member log in and complete it. Only you truly know yourself.

Reflect on each question: Although your first instinct is probably the right answer, take time to think about each question and the long-term effects of each one.

Be honest: You will likely be happier if your answers represent your preferences, not what you perceive your answers "should be." The only "right" answers are those that best reflect you and your needs.

Made a mistake? Don't worry! You'll be able to go back in and edit your responses until July 1.
