

Set-Up Text Message Notifications

To receive Starfish emails via text message:

1. Log into Starfish via your CampusNet Account. Select 'Starfish' in your Student tab.

2. After logging in, select the menu button  in the upper-left corner. Then, select the drop-down arrow next to your name and choose 'Edit Profile'.

3. Scroll down to 'Contact Information'. In the box titled "Cell Phone" type your 10-digit number. Then, check the box that says "Send text notifications to my cell phone."

The screenshot shows the 'Starfish' 'EDIT PROFILE' page. The 'Contact Information' section is visible, with a note that some information is automatically updated by the institution. The 'Username' field contains 'testStudent1' and is locked. The 'Institution Email' field contains 'starfishsupport@csuohio.edu' and is also locked, with a note that notifications will be sent to this email. The 'Alternate Email' field is empty, and there is an unchecked checkbox for 'Send notifications to my alternate email address' with a link to 'Edit Notification Preferences'. The 'Phone' field is empty. The 'Cell Phone' field contains '(888) 888-8888' and is highlighted with a red circle and a red arrow. Below it, the checkbox 'Send text notifications to my cell phone.' is checked. A note below this checkbox states: 'You may receive texts about Starfish activity, such as appointment reminders and other updates, depending on your institution's settings. Message and data rates may apply. Frequency varies. See Terms of Use and Privacy Policy.' and a link to 'Edit Notification Preferences'. The 'Video Phone' field is empty.

4. Click "Save Changes" in the bottom-right corner. You will begin to receive automated text messages for appointment scheduling and other Starfish activity.
