^If foreign language is not selected, students may select a general elective but should be aware additional credits may be required to reach the 60 credit hours minimum to earn an AA degree.

Students who do not complete the Associate degree will need to complete additional General Education requirements at Cleveland State University.

This map represents one example of how to complete the AA and BA degrees. Students should work closely with counselors/advisors at both institutions to discuss options.

#### Additional Information:

**Assumptions:** College-level readiness in MATH and ENG; no Foreign Language Deficiency (FLD). Note: this is different from the Foreign Language Requirement (FLR) which is a requirement in the College of Liberal Arts and Social Sciences at CSU.

CSU requires a minimum of 120 total credit hours for graduation. At least 30 credits must be completed in-residence at CSU. At least 24 of the in-residence credits must be completed at the upper division (300/400) level. An overall total of 42 upper division (300/400) level credits are required. Students deficient in total credits or in-residence credits must take additional elective credits to meet the minimum requirements. Depending upon other elective choices made, students may not need as many general electives as indicated above, or may need additional electives.
