

Foreign Language

2 years of the same foreign language in high school, or 2 semesters of the same foreign language in college are required by Cleveland State University. Waived for those who graduated high school 1987 or earlier.

CSU's General Education Requirements will be waived for LCC students upon successful completion of the Ohio Transfer 36 or by completion of the Associate of Arts or the Associate of Science Degree at LCC. Students must meet with a Lakeland Community College advisor to determine whether they will be completing CCC's AA, AS or the OT 36. The CSU advisor will not make this determination.

A student who does not plan to complete the AA, AS or OT 36 at LCC will need to complete CSU's General Education Requirements and should follow the most current LCC to CSU Transfer Guide.

General Education Courses needed for the PSY Major-

- **PSY 101 (CSU) or PSYC 1500 (LCC) – Introduction to Psychology**
- **PSY 217 (CSU)-Behavioral Science Stats: Descriptive or STA 147 (CSU) or MATH 1330 or MATH 1550 (LCC) is required for the Psychology major. LCC students are encouraged to plan accordingly because MATH 1330/1550 do have other pre-requisites.**

Additional CSU BA Psychology Requirements:

- **A minimum of 120 total credit hours** (including all eligible transfer credits from LCC* and all credits earned at CSU).
- **A minimum of 42 total credit hours of Junior/Senior (CSU 300/400) level courses** (referred to as the “upper division requirement”). LCC's PSYC 2300, PSYC 2700, PSYC 2800 will transfer as 300/400 level CSU credits.
- **Cleveland State University Residency Requirements:** A total of **30 credit hours of study must be taken from Cleveland State.*** These courses can be taken online, CSU main campus or through CSU courses offered at the Holden Center.
- **24 upper division credit hours must be taken through Cleveland State (300/400 level)**
- **A minimum of 18 credit hours toward PSY major must be taken through Cleveland State and 12 must be 300/400 level.**

***NOTE:** Partnership students are advised to take no more than 90 credit hours of transfer credit. (Transfer credit will only be awarded for credits which are not considered developmental in nature.) Plan accordingly for pre-requisites.

- **Partnership students should meet with the CSU academic advisor at least once per semester. Advising is currently available on a remote basis.**
- **CSU is committed to offering 2-3 Psychology courses each semester at the Holden Center or web based with enrollment preference for partnership students. Other PSY web based courses are offered to the general CSU student body each semester but do fill quickly. Be aware that partnership students who are unable to travel downtown, have scheduling limitations or have not planned pre-requisites accordingly may have to delay completion of the PSY degree.**
