Furniture with Personality®

## Respectfully yours.

Earning respect sometimes can take years; however, in some cases, it can be instant. Respect seating from National offers immediate design and comfort credibility with a thin, sleek profile and lumbar comfort for an inviting sit. Available in high and mid back executive models, as well as complementary guest chairs, this contemporary series provides a mix of materials, colors and finishes for your personal touch. Garnering much reverence from the environment, Respect earns SCS Indoor Advantage™ Gold and level® 2 certifications which can contribute to LEED® points. Whether for private offices, conference rooms or lobbies, Respect's versatility, clean lines and simple functionality evoke confidence that will resonate throughout your organization.
