## Pathways to Practice Post Bacc Early Assurance Application

**This is not an application for medical school admission. For the sake of disclosure please read the following items carefully:**

- I understand that I am requesting early assurance to the College of Medicine M.D. program at the Northeast Ohio Medical University (NEOMED). I am not applying for admission to medical school at NEOMED at this time.
- I have read the sections in the current NEOMED Compass regarding early assurance to medical school and the NEOMED College of Medicine Essential Functions Required for Admission, Continuation and Graduation in the most current version of the NEOMED Compass.
- I understand the academic metrics that will be used to determine my admission to the M.D. program in the College of Medicine at NEOMED at the time of application as communicated in the current version of the NEOMED Compass.
- I understand that I must complete the prescribed program of study at my current partner university prior to matriculation to medical school at NEOMED.
- I understand that all of my academic metrics used for admission to the M.D. program in the College of Medicine at NEOMED, such as grade point averages, will be calculated by Cleveland State University based on past work that I choose to have considered, plus the work I undertake during the post baccalaureate program.
- If I have ever been found responsible for any academic violation(s) while enrolled in college/university level coursework (after high school) (e.g. plagiarism, academic dishonesty, etc.) these must be disclosed at the time of application to medical school at NEOMED through AMCAS. Review of these violations will occur at the time of an admission decision at a later date. Early assurance status does not imply that any academic violation(s) while enrolled in college/university level coursework (after high school) may not result in a denial of admission at a later date.
- If I have ever been convicted of, or pleaded guilty or no contest to, any criminal offense in a court of law these must be disclosed at the time of application to medical school at NEOMED through AMCAS. Review of these offenses will occur at the time of an admission decision at a later date. Early assurance status does not imply that any offenses may not result in a denial of admission at a later date.
- At this date, only U.S. Citizens or U.S. Permanent Residents are permitted to be admitted and matriculate to the M.D. program in the College of Medicine at NEOMED.
- Any falsifications or omissions to the above will result in either my non-selection as an early assurance candidate, forfeiture of early assurance if discovered at a later date, or denial of admission at the time of application if discovered at a later date.
- I understand that I will need to undergo a criminal background check (CBC) if I am admitted to NEOMED.

I have read and understand all of the above items:
