PERMIT Q&A / UPDATES / REMINDERS
August 1, 2021

Annual/Semester Permit Holders
- Viking Cards required for permit holders to enter gated facilities
- Only one Viking Card per permit will be active.
- Permit/Viking Card sharing is prohibited and may result in a citation and judicial/HR action.
- Patrons that forget their CSU ID can park in a non-gated facility.
- All vehicles must be registered via license plate to the permit. The plate number is the permit.
- Vehicle plate must be visible from the drive lane.
- All gated facilities have a “HELP” button for assistance.

NEW Virtual Parking Permit
All Faculty/Staff/Student parking permits valid August 1, 2021, and after will be virtual. No plastic hangtags will be issued, and your license plate will serve as your parking permit. Read the details below so you can successfully park on CSU’s campus.

Make Sure Your License Plate Is:
1. Current. Purchase your permit and register online at csuohio.us/3mvy83gy
2. Correct. Enter your full license plate number when purchasing a permit.
3. Visible. The parking enforcement team needs to see your license plate when patrolling.

Make sure plate is visible from drive lane.
- Do not block your license plate (i.e., with a bike rack)
- Park with your license plate visible

Visitors are required to display your parking ticket.

Lot 43
- Lot 43 is only available during Fall and Spring Semesters.
- $3.00 per permit/per day.
- Can only purchase 10 days in advance and only 5 permits at a time.

Central Garage (CG)
• Visitor parking available from E. 21st Street middle entrance only. (Permit holders CANNOT park in these designated spaces)
• E. 19th Street entrance is permit only.
• White permits have access to CG between 5:30 p.m. – 11:59 p.m. Monday through Friday and all weekend.

**Visitor Parking**
• Visitor parking is first-come. Hours and rates vary by location.
• Visitors are requested to display their parking ticket or parking receipt.
• Visit the link above or [map](#) to view options.

**White Permit Access**
• May park in Central Garage (based on availability) between 5:30 p.m. - 11:59 p.m. Monday through Friday and 5:00 a.m. – 11:59 p.m. Saturdays and Sundays.
• Visit the link above or [map](#) to view options.

**Green Permit Access**
• May park in any white lot between 5:30 p.m. - 11:59 p.m. Monday through Friday and 5:00 a.m. – 11:59 p.m. Saturdays and Sundays.
• Visit the link above or [map](#) to view options.

**Night/Evening Permit Access**
• Night permit access 5:30 p.m. – 11:59 p.m.
• Evening permit access 3:30 p.m. – 11:59 p.m.
• Both have access from 5:00 a.m. – 11:59 p.m. Saturdays and Sundays.
• Permits provide access to White/Green Parking locations during their permit perimeters (not valid in South Garage).

**Prospect Permit Access**
• May park in any green or white facility between 5:30 p.m. - 11:59 p.m. Monday through Friday and 5:00 a.m. – 11:59 p.m. Saturdays and Sundays.
• Faculty/Staff and resident only.
• Permit is also valid at South Garage.

**Disabled Parking**
• To access gated facilities when they reach capacity, Green and White permit holders with state-issued placards may complete the [Gated Facility Access Request Form](#).

**Lost/Stolen Permits**
• Police report required for any physical permit that is lost or stolen.
• Not required for virtual permits.
• Patrons that opt not to file a police report will be charged the current price of a permit.
FREQUENTLY ASKED QUESTIONS

Q: What does “Virtual Permit” mean?
A: All semester and annual permits active August 1st, 2021, and after will be virtual. No physical hangtag will be issued, and no documentation will be required to be displayed. The vehicle license plate will serve as your parking permit. Your vehicle’s license plate must be facing the drive lane and visible for patrolling. Backing into a parking space is only available with a front plate visible.

Q: I purchased a virtual permit. Why do I have to print my receipt?
A: To assist with garage counts and to avoid back-ups during the first 2 weeks of the semester, we request staff and students to print their permit receipt. Please keep this handy when entering all gated facilities. Attendants may ask for the receipt to help control traffic flow and decrease wait times and back-ups.

Q: What happens if I don’t have a front plant and back into a parking space?
A: To confirm the vehicle has an active permit, our License Plate Reading (LPR) system will need to have the plate visible from the drive lane. If the plate is not visible from the drive lane or readable via the LPR system, a citation may be issued for “License plate obscured.”

Q: Why does the CSU GO Online Parking website state I am not in the system?
A: Students must be registered for classes to be active in the parking system. Please allow 24 hours after registration for the Parking website to be updated. All freshman and incoming transfer students will be uploaded into the system on the first day of permit sales. New students will not be able to access the CSU Go Online Parking System until that date.

Q: Why is the overnight commuter-parking permit not available for purchase?
A: Overnight Commuter permits are limited and may be sold out if it is not an option. In addition, if your classification has not been updated with CSU, then this option would not be available. For example, you were a resident and switched to a commuter.

Q: What payment methods are available?
A: Students have the option of Visa, MasterCard, Discover, and charging to their student account. Faculty and Staff have the option of Visa, MasterCard, Discover, and payroll deduction. Note, when selecting a semester permit, four (4) months is the maximum number of payroll deductions.

Q: I am not sure if the permit was purchased, how do I confirm if I was issued a permit?
A: Check your credit card account. If the charges are processed, do not attempt to purchase another permit. If the credit card was not processed or student account was selected and you did not receive a confirmation email, your transaction did not complete, please reattempt to purchase a permit.

Q: I am a faculty/staff member and I received the following error message when processing Payroll Deduction. What should I do?
“An error has occurred while processing your transaction. Do not retry the transaction. Payment may have been collected. Please contact the parking office. Reference Basket #....”
A: This error occurs when the number of deductions is more than the length of the permit. When selecting a semester permit, four (4) months is the maximum number of payroll deductions. Attempt to repurchase the permit.

Q: What does the error message “This card cannot be processed for security reasons” mean?
A: The information entered to process the credit card does not match the information registered with the card company. Recheck all information registered with the card company and try to process the payment again. If the issue continues, contact the credit card provider to resolve the issue.

Q: What happens if the queue number resets to the end of the queue?
A: There are few reasons that a queue will reset. First, make sure you are using Internet Explorer. Second, check your refresh setting in internet explorer. Make sure auto-refresh is not turned on. Third, if you were on the site before 9:00 a.m., cookies may be stored from this setting. Delete all cookies. Forth, using a cell phone and switching between Wi-Fi spots or cell towers will cause a refresh. Note, using browsers or cell phone services outside of Internet Explorer may cause errors.

Q: I received the following message, what should I do? “Sorry, there are no modes of payment available to you.”
A: This error message is due to one of four items: payment processing errors, a hold on your account due to previous dishonored payment(s), attempting to purchase on your cell phone, or not being registered for classes. If you are using a cell phone, please log off and try again using Internet Explorer on a computer. If you are still getting this error message when using a computer and you are registered for classes, please consider using an alternative payment method such as Student Account Plan.

Q: I am not available on the permit sale date to purchase a permit, what are my options?
A: Permits are sold on a first-come, first-serve basis. This allows the process to be fair to all students. Attempt to purchase a permit when you become available and select from the remaining options.

Q: I want a permit to park in a specific garage, how do I find out which permit is best for me?
A: Permits are zone based and do not guarantee a specific garage or space. Permits do guarantee a space in the permit zone, including overflow parking. Review the website and parking zone maps to find the best option for you.

Q: I want to purchase the night permit, but my class starts at 5:30pm, will I be able to get into the garage/facility a few minutes early?
A: Permits are time based. The Evening Permit is valid from 3:30 p.m. to 11:59 p.m. and the Night Permit is valid from 5:30 p.m. to 11:59 p.m. Parking outside of these times will warrant a citation. In addition, trying to enter a parking facility before or after these times will be restricted. You can park outside of permit perimeters by purchasing parking at a visitor location.

Q: What should I do if the gates are up when I am entering or exiting the garage?
A: Park in a non-gated facility that your permit type allows. We are unable to grant entry into gated facilities without a Viking Card. B) If you are in the garage ready to leave and forgot or lost your Viking Card, please return to get your card or visit the Viking Card Office to get a new Viking Card. If you don’t have your Viking Card then you will not be able to enter the gated facilities. If you choose not to replace a lost card or not return to get your Viking Card, you will need to press the lost ticket button for a $20.00 fee.
You should always scan your Viking Card when you are entering and exiting the garages. By not scanning the Viking Card, on entry or exit, your ability to enter or exit the garage on your next attempt will be affected.

Q: I park in MG, UG, or Lot 43, but don’t see any access equipment installed. Note: Lot 43 is not available during the summer semester.
A: At this time, access equipment will not be installed in these locations. They will remain reserved for the lots corresponding valid permit.

Q: Will I be restricted from accessing the gated garages at certain times?
A: Automated garage access via your Viking Card will be available based on your permit type. Green and White permits are valid from 5:00am – 11:59pm in designated garages. Evening (valid 3:30pm-11:59pm) and Night (valid 5:30pm-11:59pm) permits will have Viking Card access based on their permit time allowance. Permit holders that have purchased overnight parking will have 24/7 garage access via their Viking Cards.

Q: If the garage has reached capacity, will my Viking Card still allow me to enter and check for a space?
A: No, the system is designed to restrict access when the spaces allocated for permits have reached capacity. Please note that sometimes the garage may have spaces reserved for guests or events and therefore those spaces will be unavailable to permit holders. Green and White permit holders with state-issued placards may complete the Gated Facility Access Request Form.

Q: I’m an adjunct/part-time faculty member. I cannot get a Viking Card until my contract is signed. How can I access the gated garages?
A: Unfortunately, without a signed contract you will not be in PeopleSoft which feeds the parking system. You will not be able to use a gated facility. If you purchase a parking permit, you will be able to use non-gated facilities based on your permit type, until you are in PeopleSoft. Semester based Adjunct and Part-Time Faculty that do not have a signed contract should bring a letter of intent, on departmental letterhead, signed by their Chair/Dean to the Parking Department office to purchase a permit.

Q: My vehicle needs service, and someone is coming to assist me. What should I do?
A: Please contact CSU Parking Services or the CSU Police Department to offer some basic services. In addition, we can help facilitate finding a tow company and access into or out of the garages. Make sure you call or email Parking Services if the vehicle is going to be left overnight. (216-687-2023 / parking@csuohio.edu)

Q: I want to share a permit with a fellow student or family member, what are my options?
A: Currently, Parking does not offer carpooling permits. Virtual permits are not to be shared and they are issued to one individual’s ID number and account. This individual is the only authorized person to use their ID and is required to be present when parking.
Allowing someone to use your ID or using someone else’s ID may lead to fines, immobilization, and judicial action.

**Q: I have a Blue/Yellow voucher (OTM), how do I use it?**
A: If you have the voucher on entry use the bar scanner, located before the ticket spitter. When exiting, scan the same voucher at the arm before the ticket acceptor. If you do not have the voucher on entry, pull a ticket at the spitter. When exiting insert your ticket and then insert/or scan the voucher. Yellow vouchers will be returned if not expired.

**Q: I have a Red voucher (OTM), how do I use it?**
A: A ticket must be pulled on entry. The red voucher is a discount voucher only and needs a ticket to calculate the cost. When exiting, scan the same voucher at the arm before the ticket acceptor. This will calculate your discount, process payment if an amount is still due.

**Other things to consider:**
- **Passback:** Passback is a security feature that prevents parking patrons from abusing their privileges. The passback feature only allows one exit for every one entry. This means that if you allow someone else to use your Viking Card to access the garage, then your Viking Card will not work when you try to enter or exit the facility. Passback violators will not be allowed out of the garage and will be required to pay the lost ticket fee ($20.00). If the gates are up when you come or go, stop and scan your Viking Card to make sure that you stay in sync.

**Additional changes to core parking:**

**Central Garage (CG):** The E. 21st Street entrance will allow permits and will provide access to approximately 60 visitor spaces. The visitor spaces will have a dedicated entry and exit lane. The visitor spaces will be available from 5:00am to 11:59pm on a first-come basis and will be subject to the current parking rates. The current daily rates are $2 for the first hour and $2 per every 2 hours after. The daily max is $10 and the day restarts at 12:00am. **Please note that any vehicle registered to a permit parked in the dedicated visitor area will receive a citation.** Visitor parking is not available between 12:00am and 4:59am (overnight). Overnight visitors should utilize South Garage.

**West Garage (E. 17th between Euclid & Chester):** West is available to visitors from 5:00am to 3:00pm at the daily parking rates. Permit holders will also have a dedicated exit lane to assist with traffic flow during visitor hours (Chester Avenue). Please note that visitor parking is not available between 12:00am and 4:59am (overnight).

**East Garage (Chester & E. 25th):** East will only allow Green permits holders from 5:00am to 3:00pm. After 3:00pm, visitor parking will be allowed at the daily parking rates. Permit holders will also have a dedicated exit lane to assist with traffic flow during visitor hours. Please note that visitor parking is not available between 12:00am and 4:59am (overnight). Vehicles parked without a permit in East garage during permit only hours are eligible to receive a citation.
