

WHAT CAN I BRING TO CAMPUS?

For your safety, and the safety of others, these items are not permitted in the Residence Halls.

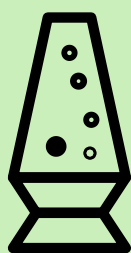

If it can produce a flame

This includes candles (even if they are never lit or the wick is cut!), incense and kerosene lamps. Flammable liquids (like lighter fluid) are also prohibited.

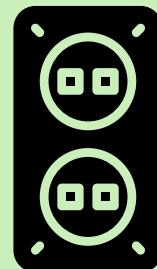

Open-Heating Elements

This includes toasters, hot plates, griddles, toaster ovens, air fryers, waffle makers, coffee makers (without automatic shut-off), and space heaters.

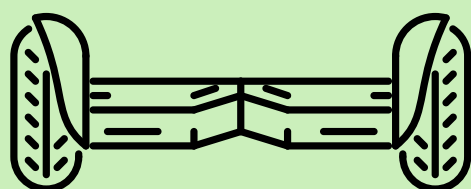

Certain Decorations

This includes lava lamps, live holiday decorations (including trees, wreaths, pumpkins), or lights that may catch fire.

Outlets & Extension Cords

Outlet splitters, extension cords, power strips without automatic shut-offs, and outlet extenders are prohibited.

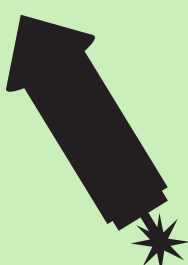

Electric Transportation

Hoverboards, Swagways, IO Hawks, Skywalkers, and similar devices are not permitted. Electric Scooters (such as Lime) are not permitted in the halls.

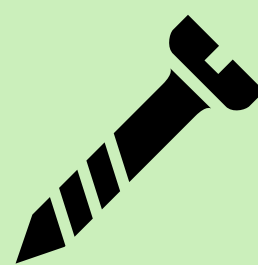

Firearms & Weapons

Including, but not limited to: bows and arrows, slingshots, darts, knives, BB guns or pistols, Nerf guns, flare guns, air pistols, stun guns, rifles, other firearms, and martial arts implements and equipment.

Explosive Device

You may not possess or use any explosive device of any type, including, but not limited to, firecrackers, fireworks, cherry bombs, and bottle rockets.

Wall Damage

No nails or permanent stickers may be used on the doors or walls. Please use masking tape or removable sticky sponge type substances (i.e., memo boards).
