3-Year Total (as listed in above sample): 91 (120 hours minimum required to earn degree; 29 to be earned through C-M Law)							

Assumptions: college-level readiness in MTH & ENG; no Foreign Language Deficiency

College/ Program Notes:

The plan above is a suggested guide to ensure that all General Education, College, and Major requirements are met within 3 years of study. Students may deviate from the suggested placement of Gen Ed courses, although the M/QL and W/C requirements should be completed during the first year of study. University requirements will be fulfilled during the 4th year of the program/1st year at C-M Law.

*Electives ensure that a student accumulates the minimum credit hour totals needed for graduation. 3+3 Students must have a **minimum of 91 total credit hours**, of which a **minimum of 42 credit hours** must be upper division (300 or 400-level courses). Depending upon elective choices made, students may not need as many general electives as indicated above, or may need additional electives. **This degree map assumes that all PSY electives are 300/400-level courses.**

^PSY 217 & 317 are both QL courses. Only one QL course can be applied to the M/QL requirement; the other course must be a MTH/STA course.

^^Additional 11 hours of PSY electives required for the major. **This degree map assumes that all PSY electives are 300/400-level courses.**
