

Work related injuries: We are your trusted partner for a healthy and safe workplace.

Our employer-focused programs are designed exclusively to meet the health needs of your business. We help you take control of your claims by offering a seamless continuum of care that keeps your team healthy and productive while lowering your costs. We have been serving northeast Ohio and beyond for more than 20 years and are the oldest hospital-based occupational health program in Cleveland. St. Vincent Charity Medical Center looks forward to being your partner in providing cost-effective solutions for your safe and healthy workforce. Our business network throughout the United States allows us to partner with you regardless of location.
