# DISPOSABLES!

**YOUR CATERED EVENT WILL FEATURE PLATES, CUPS,  
UTENSILS AND NAPKINS THAT ARE  
100% PLANT BASED AND COMPOSTABLE!**

If your event will be held in the Student Center, compost bins will be placed in the venue to capture food waste and compostable tableware.

Please advise your guests about this initiative to help keep contamination out of the compost bins.

## SAMPLE ANNOUNCEMENT

All of the products used at today's event are 100% plant based and compostable. Please dispose of your leftover food, and all cups, plates, napkins and utensils in the green and yellow bins labeled **COMPOST**. In less than two weeks, all of our waste will have turned into a rich soil. Bottles and cans should be placed in the **RECYCLING** bin. Thanks for helping to reduce waste on campus!
