

TR2®

SitOnIt • Seating™

CLASSIC DESIGN.

The ergonomic design of the TR2 collection of Executive, Task, Conference and Stool seating radiates mission-critical functionality. A wide range of seat, back and base options create a multitude of customization opportunities that make the TR2 more versatile and comfortable than any other chair in its price range.

COLLABORATE AND COMPETE.

Outfit a meeting or war room with the TR2 Midback or TR2 Highback chair. This is the classic conference chair, combining elegance and timeless design with recognized reliability and affordability.

A RELIABLE WORKHORSE.

The efficient, modest lines of the TR2 collection mimic the state of business: robust, reliable and not wasting a single step. Executive and Task models offer arm and back height adjustments, and the Conference chair comes in two back heights. Standard and extended stool heights with a Heavy Duty option allow targeted placement in areas where business operates 24/7 or optimal user comfort is desired.

THE FULL CONTROL EXECUTIVE.

Flexibility doesn't have to sacrifice comfort. The TR2 Executive provides complete ergonomic control, including enhanced synchro and fatigue-minimizing lumbar support. The memory foam seat and hundreds of upholstery options help to make this classic executive chair the ideal refuge for the productive manager.

BRING NEW LIFE TO WORK.

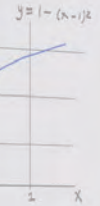

Classic ergonomic design and lifetime durability combined with recognized reliability and affordability make the TR2 collection perfect for day-in, day-out performance while achieving an integrated look in the office.
