Degree Total: 120 Credit Hours

College/ Program Notes:

Assumptions: college-level readiness in MTH & ENG; no Foreign Language Deficiency. The plan above is a suggested guide to ensure that all General Education, College, University, and Major requirements are met within 4 years of study. Students may deviate from the suggested placement of Gen Ed courses, although the M/QL and W/C requirements should be completed during the first year of study.

*General Electives ensure that a student accumulates the minimum credit hour totals needed for graduation. Students must have a minimum of 120 total credit hours, of which a minimum of 24 credit hours must be upper division (300 or 400-level courses). Depending upon other elective choices made, students may not need as many general electives as indicated above, or may need additional electives.

University Notes:

Gen Ed Key:	SS = Social Sciences (two courses from different departments)
INTRO = Introduction to University Life Requirement (one course)	A&H = Arts & Humanities (two courses from different departments)

NS = Natural Sciences (two courses, one of which must have a lab)	CAP = Capstone Requirement
** of the four total SS and A&H courses, one must be focused on Africa, Latin America, Asia or the Middle East (ALAAME)
